**iNavigate Ranked 257th Fastest Growing Technology Company on the Deloitte Technology Fast 500 Asia Pacific 2007.**

*Attributes its 199.14 % Percent Revenue Growth to its customers and the company's technology capability*

**Kuala Lumpur, Malaysia, 5<sup>th</sup> December 2007** – iNavigate Sdn Bhd today announced that it ranked Number 257th on the Deloitte Technology Fast 500 Asia Pacific 2007, a ranking of the 500 fastest growing technology companies in Asia Pacific. Rankings are based on percentage revenue growth over three years. iNavigate grew 199.14% percent during this period.

iNavigate's CEO, KK Lim, credits its customers for adopting and marketing its new mobile products, and its staff for innovation and competency in developing new mobile applications therefore contributing to the company's 199.14% revenue growth over the years. He said, "iNavigate will continue to strive to develop innovative and new products for our future success and growth. We feel extremely honoured to be awarded twice as this attests that iNavigate maintains its performance and we are in line with our visions and missions!"

"Because Deloitte Technology Fast 500 Asia Pacific measures sustained revenue growth over three years, being one of the 500 fastest growing technology companies in Asia Pacific is an impressive achievement," said Ian Thatcher, partner in charge of Deloitte's Technology Fast 500 Asia Pacific program. "iNavigate deserves a lot of credit for its remarkable growth."

**Technology Fast 500 Asia Pacific selection and qualifications**

The Technology Fast 500 list is compiled from Deloitte's Technology Fast 50 Asia Pacific programs, nominations submitted directly to the Technology Fast 500, and public company database research. To qualify for the Technology Fast 500, entrants must have had first year operating revenues of at least US\$50,000.

Entrants must also be public or private companies headquartered in Asia Pacific and must be a "technology company," defined as a company that owns proprietary technology that contributes to a significant portion of the company's operating revenues; Manufactures a technology related product, or devotes a significant proportion of revenues to the research and development of technology.

**About iNavigate Sdn Bhd**

iNavigate, established in 2002, a homegrown MSC status company, is a regional mobile content and application developer. Our core competency is to innovate and develop mobile applications for content management, enterprise application integration (EAI) and mobile multimedia imaging.

**About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu, a Swiss Verein, its member firms, and their respective subsidiaries and affiliates. Deloitte Touche Tohmatsu is an organization of member firms around the world devoted to excellence in providing professional services and advice, focused on client service through a global strategy executed locally in over 140 countries. With access to the deep intellectual capital of approximately 150,000 people worldwide, Deloitte delivers services in four professional areas—audit, tax, consulting, and financial advisory services—and serves more than 80 percent of the world's largest companies, as well as large national enterprises, public institutions, locally important clients,

and successful, fast-growing global companies. Services are not provided by the Deloitte Touche Tohmatsu Verein, and, for regulatory and other reasons, certain member firms do not provide services in all four professional areas.

As a Swiss Verein (association), neither Deloitte Touche Tohmatsu nor any of its member firms has any liability for each other's acts or omissions. Each of the member firms is a separate and independent legal entity operating under the names "Deloitte," "Deloitte & Touche," "Deloitte Touche Tohmatsu," or other related names.
